**RE: Mercury Free Statement**

01/02/2025

Dear Valued Customer,

This letter is to confirm that to Mid-West Spring & Stamping's best knowledge, our products do not contain and are not contaminated by Mercury or Mercury compounds.

If there is any concern, we will provide necessary documents for all traceable materials.

Mid-West Spring and Stamping Co.

A handwritten signature in grey ink, appearing to read "Shelly Kats", is located below the company name.

Shelly Kats, Quality Manager
